Subject: Re: Trout Brook Road - County Bond

Hi Desiree,

You can revise this however you see fit, but I think the Motion should be similar to:

Motion to accept the Smith Clove/Trout Brook Road transmission main as constructed pursuant to the recommendation of the Village Engineer and the Water Department

Thank you!

-Kelly

Hi Rick and Kelly – Please see the below and attachments. I researched the minutes and did not see that we did this, but my ability to search is limited as my program is no longer supported (ugh). Do you have anything on it? If we didn't do it, should we be doing something? In a subsequent email to the one below, Dennis wrote as follows:

“Since the line has been used and maintained by the water department for the past 2 years (and probably longer) I am not sure what you need to do, if anything. I suggest you discuss what is required with Counsel. If action is required, my letter will provide our opinion on acceptance but I also suggest that any action on acceptance, require a developer certification of no encumbrances, no outstanding taxes and his assumption of any county costs. Essentially the acceptance should be free and clear of any and all encumbrances/costs – probably better articulated by Counsel. “

Any help or guidance you can provide would be greatly appreciated. Thanks!!

Desiree Potvin, Village Clerk
Village of Woodbury
(845) 928-7558 x52

Please note we have updated our email system. Beginning July 1, 2019 my new email address for Village of Woodbury business will be villageclerk@villageofwoodbury.com. Please update your contact information for me relating to Village business. Thank you for your patience during our transition.
