(http://www.scannermaster.com:80/Uniden\_Bearcat\_SDS100\_Police\_Scanner\_p/10-501979.htm)

The SDS100 is the world's most advanced handheld scanner radio, combining the HomePatrol's ease of use with Software Defined Radio and True I/Q technology and available optional upgrades. The huge fully customizable color display makes it easy to see what is happening; display as little or as much as you want to see! The SDS100 does everything a scanner can do. It provides top-notch performance even with digital simulcast systems, like no other scanner can. \*Note\*: All SDS100's come with the larger extended battery pack and extended battery door.

Previous Model:  
BCD436HP  
BCD396XT  
BCD396T

The Uniden Bearcat SDS100 starts off with the considerable capabilities of the respected **BCD436HP** with TrunkTracker X™ technology, APCO Project 25 Phase I and Phase II, X2-TDMA, Motorola™, EDACS™, and LTR™ Trunked Radio Systems. The SDS100 is the first scanner with true I/Q software defined radio technology. And it includes easy Zip Code programming (USA/Canada). Additional modes such as DMR Tier III, Hytera XPT, Single Channel DMR, NXDN 4800/9600 and EDACS ProVoice will eventually be available by a paid upgrade. Frequency coverage is 25-512, 758-824, 849-869, 894-960 and 1240-1300 MHz. Enhancements include SAME weather Alert, Channel Volume Offset, Multi-Site System Scanning, free Sentinel Software, Li-ion battery, three contextual soft-keys that change function based on current operation. It features a huge color LCD that is user customizable. Not only is it great to look at, but it is also rugged and weather resistant to the JIS4 (IPX4) standard. Here is a sophisticated, professional grade instrument that fits in your hand!

This radio comes with AC adapter, USB cable, hand strap, installed MicroSD card, BT-954 3.7 VDC 5400 mAh lithium ion battery, SMA-BNC adapter, SMA antenna, belt clip and printed manual.

**UPDATED: 11/22/18**

We are shipping the updated version that includes the **larger** high-capacity **BT954** 3.7 VDC 5400 mAh lithium ion battery!
