**BLASTING PERMIT REQUIREMENTS**

Appropriate blasting techniques shall be used to minimize noise and vibration.

- 1) Blasting is not permitted on Saturdays or Sundays.
- 2) Blasting hours are Monday through Friday from 8:00am to 5:00pm.
- 3) Blasting must be licensed personnel and done during normal working hours.
- 4) **All neighbors within 500 feet of the location shall be advised 24 hours in advance of the proposed schedule for blasting.**
- 5) **All neighbors within 500 feet of the location shall receive a phone call notification one hour prior to blasting.**
- 6) Blasting shall be preceded by an appropriate warning signal.
- 7) Pre and Post blasting inspection plans are required to be submitted to the Building Department within 24 hours PRIOR to blasting.
- 8) Pre and Post blast seismology reports are required to be submitted to the Building Department within 24 hours of blasting.
